

16 Days of Activism to End Gender-Based Violence

Imagine if Dundee said, "No More"

You deserve a city without Gender-Based Violence

Programme of Public Events

25th November - 10th December 2024

The **16 Days of Activism Against Gender-Based Violence** is a global campaign set up in 1991 calling for the elimination of all forms of violence against women.

The 16 Days campaign takes place annually between 25th November - 10th December.

Every year, the Dundee Violence Against Women Partnership (DVAWP) works closely together to deliver a number of awareness raising events as part of this Campaign. This year we are asking you to:

**Imagine if Dundee Said, “No More”
You deserve a city without Gender-Based Violence**

All our **#StandwithUs**, **#LearnwithUs** and **#BelieveUs** events are open to all members of the public and communities within Dundee.
